Subject: Underground Storage Tank Closure, Piedmont Hub, 205  
Stagecoach Trail, Greensboro, Guilford County

Dear Sir:

We received the soil sample results from the underground storage tank closure at the subject location in August, 1990. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined that the UST system has been closed in accordance with 40 CFR 280.71 and 280.72. However, this does not absolve you of any responsibility for contamination that may not have been detected during the site assessment.

If you have any questions, please contact me at the letterhead address or telephone number.

Sincerely,

A handwritten signature in cursive script that reads "Thomas A. Salley".
